

SECRET

objective improved management and operational efficiency, greater flexibility in personnel utilization, and acceleration towards the all-source document and information servicing goals of OCR.

59

The OCR Divisions concerned had barely enough time to establish their new processing routines when on 7 July 1967 the complete reorganization of OCR was put into effect, based in part on the recommendations of the OCR Planning Group (see ^{Reorganization} Organization chart at end of Chapter XII). ⁶⁰ This marked the end of the previous Divisions as their former entities, e.g., BR, DD, GR, FID, MB, and SR, except for the greatly reduced CIA Library.
